# The Company

Silver Green General Contracting and Transportation is a trusted multi-service company specializing in construction support and industrial logistics. With a wide portfolio of services including earthmoving equipment rental, lifting solutions, diesel supply, water tanker delivery, and skilled labor provision, we aim to be the backbone of your project's success. A highly skilled Earthwork Specialist in site development, excavation, grading, and soil stabilization for residential, commercial, and infrastructure projects. Proven expertise in reading and interpreting engineering plans, managing heavy machinery operations, and ensuring compliance with safety, environmental, and regulatory standards. Recognized for delivering projects on time and within budget by leveraging deep knowledge of soil types, compaction methods, drainage systems, and erosion control. Founded with a vision to provide dependable, affordable, and professional services, we have quickly earned a reputation for delivering high-quality results, on time and within budget.

Whether it's a small residential job or a large-scale infrastructure project, our team and equipment are ready to support you every step of the way.

# CEO Message

It is with great pride and gratitude that I welcome you to our company profile. At Silver Green General Contracting and Transportation, we are driven by a clear vision: to deliver excellence, create value, and make a meaningful impact in everything we do. Since our inception, we have remained committed to innovation, integrity, and customer satisfaction. These principles guide our decisions and shape our strategies as we navigate an ever-evolving business landscape. Our talented team, strong partnerships, and unwavering dedication have enabled us to grow steadily and sustainably.

We understand that our success is built on the trust and support of our clients, employees, and partners. That's why we continuously invest in people, technology, and quality—ensuring that we not only meet expectations but exceed them.

As we look ahead, we are excited about the opportunities that lie before us. We will continue to evolve, adapt, and lead with purpose, staying true to our mission and values.

Thank you for being part of our journey

# Vision & Mission

## *Vision*

To be the leading provider of integrated heavy equipment, fuel, and labor solutions, empowering industries to achieve greater efficiency, safety, and sustainability through reliable and innovative services.

## *Mission*

- To provide top-quality earth-moving and lifting equipment that meets the demands of construction, infrastructure, and industrial projects.
- To ensure a consistent and reliable supply of diesel and water to keep operations running smoothly and efficiently.
- To offer skilled and reliable labor solutions, ensuring the success of our clients' projects with a focus on safety, professionalism, and expertise.
- To maintain the highest standards of safety, environmental responsibility, and customer satisfaction in all our operations.
- To continuously innovate and adapt our services to meet the evolving needs of our clients and the industries we serve.

# Our Services

## Earth Moving Equipment Rental

We provide a fleet of well-maintained earth moving equipment including excavators, bulldozers, wheel loaders, and backhoes. Our machinery is operated by skilled professionals, ensuring high productivity and adherence to safety standards.

## Lifting Equipment Rental

We offer a variety of lifting equipment such as cranes, forklifts, and hoists, designed to handle heavy lifting tasks on construction and industrial sites. All lifting equipment is certified and regularly inspected to ensure operational safety and reliability.

## Diesel Supply Services

We supply high-quality diesel fuel to construction sites, industrial facilities, and remote operations. Our supply chain is reliable and timely, with safety protocols in place to prevent spills, leaks, and environmental hazards.

## Water Tanker Supply

Our water tanker services provide clean and reliable water delivery for construction, dust suppression, and other site needs. We ensure safe transport, punctual delivery, and adherence to environmental and municipal guidelines.

## Flatbed Trailer & Heavy Transport

We offer flatbed trailer transport for moving heavy equipment, construction materials, and oversized loads. Our logistics team ensures safe, secure, and timely delivery with full compliance to road safety regulations.

## Earth Work Services

We undertake all types of earth work including site preparation, excavation, backfilling, and grading. With skilled manpower and advanced machinery, we ensure accurate and efficient execution tailored to project requirements.

## Cutting, Leveling, and Compacting

Our team specializes in land development and surface preparation, including cutting, leveling, and soil compaction. These services are essential for preparing solid, even foundations for roads, buildings, and infrastructure projects.

## Labor Supply

We provide experienced and trained labor across various trades including construction, equipment operation, maintenance, and general site work. Our workforce is safety-trained and ready to meet the dynamic demands of any project.

## Earth Moving Equipment

We ensure the safe operation and maintenance of all earth-moving equipment by strictly adhering to HSE standards. Our team is well-trained in equipment handling and site safety, and we take proactive measures to prevent accidents, reduce environmental impact, and promote operational efficiency.

## Lifting Equipment

Our lifting equipment operations are conducted with the highest standards of safety. We focus on thorough inspections, regular maintenance, and comprehensive operator training to ensure the safe and effective use of all lifting machinery, minimizing risks to both personnel and the environment.

## Diesel Supplier

As a reliable diesel supplier, we prioritize safety in the handling, storage, and delivery of fuel. We follow strict HSE protocols to prevent spills, leaks, and other hazards, ensuring a safe working environment and minimal environmental impact, while maintaining efficient fuel distribution services.

## Water Tanker

Our water tanker operations are guided by HSE principles to ensure the safety of our drivers, the community, and the environment. With regular inspections, proper maintenance, and training, we guarantee safe transportation and delivery of water while minimizing risks and environmental footprints.

## Flat Bed Trailer

Safety and efficiency are at the core of our flatbed trailer operations. We comply with all HSE guidelines regarding load securement, driver safety, and equipment inspection. Our focus is on minimizing risks, ensuring safe transport, and reducing environmental impact during every delivery.

## Labor Supplier

As a trusted labor supplier, we are committed to the safety and well-being of our workforce. Our employees undergo continuous HSE training and are provided with the necessary equipment and safety measures to ensure a safe working environment. We work closely with our clients to ensure compliance with all safety standards on site. These HSE lines can be tailored to your company's specific practices and regulations, ensuring that each area of operation reflects a commitment to health, safety, and environmental responsibility. Let me know if you'd like more details or adjustments!

# Our Equipment

*At Silver Green General Contracting and Transportation, we pride ourselves on owning and operating a comprehensive fleet of heavy-duty equipment to support a wide range of construction, earthworks, and logistics projects. Our machinery is regularly maintained, safety-checked, and operated by certified professionals to ensure optimal performance and safety on every job site.*

## ■ Earth Moving Equipment

- Excavators (various size)
- Bulldozers (various size)
- Wheel Loaders (various size)
- Backhoe Loaders
- Graders (various size)
- Skid Steer Loaders

## ■ Lifting Equipment

- Mobile Cranes (various size)
- Boom Loader (Various size)
- Forklifts (various size)
- Boom Lifts (various size)

## ■ Transport Equipment

- Flatbed Trailers
- Lowbed Trailers
- Dump Trucks
- Tipper Trucks
- Pickup Trucks

**Grow  
Your  
Busi-  
ness

Us.**

## ■ Fuel & Utility Vehicles

- Diesel Tankers (various capacities)
- Water Tankers (various capacities)

## ■ Soil Work & Compacting

- Rollers (Single/Double Drum)
- Plate Compactors
- Rammer Compactor

*Our modern and diverse equipment fleet allows us to deliver efficient, reliable, and high-quality service across all stages of project execution from ground preparation to material handling and transport.*

Our Workforce Includes:

- Skilled
- Semi Skilled
- Unskilled Manpower

# Our Projects

*Empowering ideas into impact  
our projects blend innovation  
with real-world solutions.  
Together, we're building a  
future that works for everyone.*
